One reservation point is equivalent to one allotted vacation point. Reservation points have no other relationship with, or comparison to, vacation points and are established for convenience of reference only. Reservation points are per person, based on double occupancy and apply to 1st and 2nd passenger. Ranges shown reflect the amount of reservation points required by stateroom category. Stateroom options, based on category and/or location, require higher reservation point amounts. General terms and conditions of this program are in the "Member Benefits Guide." Please review them carefully before booking. Program terms and conditions are subject to change without notice. Members should contact Member Services for information about other stateroom options offered, possible additional surcharges, and routes. Category 4 Staterooms can accommodate up to five passengers.
